

Public Outreach: What's Hiding in Your Literature Box?

When was the last time you looked inside your group's literature box—under the basket and daily readers? You may be surprised at all the gems just sitting in there: maybe some copies of the *Al-Anon Faces Alcoholism* (AFA) public outreach magazine, maybe some other pamphlets perfect for outreach. Consider sharing them with local shelters, community centers, or libraries so that others can have access to these valuable Al-Anon resources.
