

Public Outreach Area Assembly

March 6&7,2026

Looking to fund the Kentucky School Counselors Conference

This year Registration will be 500.00, we save 50.00 by registering early.

Kentucky Association of Addiction Professionals I would like to have literature for this group as well.

District 11 has been using the Little Free Library App. And Leaving Al-Anon Faces Alcoholism in the Little Free Library in their area. I would like to purpose that we do it as an Area wide project. Providing attached business cards with our QR code for schedule of meetings.

I believe and additional 1,000.00 will cover the needed materials for the Area project.

Back on February 9, 2026, we held our first Outreach Zoom Meeting and I am planning on doing this about every other month until our current term is up.

I am hoping that the District Representatives will encourage their Public Outreach Pearson in their district to attend or some representative for their District.

Thanks one all for your support of Outreach in Area 21
